NO. 3

AUGUST 2013

We hope everyone has enjoyed the summer weather.

We are making plans for improving Heyswood facilities and have been in contact with suppliers and builders for toilet blocks and the fitness trail and are awaiting quotes.

We are now looking forward to the Work Day on 8th September. Your Committee have spent a day lining up a few jobs and we definitely need your help! In fact we hope some people may be able to come a bit earlier, i.e. from 11 am. Bring your own lunch. We are still providing a barbecue at 5 pm for those who can stay. However we will be pleased to see you for any time you can give, even if just an hour.

Please can you help us??

Tasks we want to achieve:

- Coronation Hut - repair missing and broken rear panels; paint external surface with wood preserve; move contents to Log Cabin to enable new shelving to be installed; start on installing of shelving (need good handy people for this last task)
- Lean-to for Storing Trolleys and Altar Fires - erect
- Swimming Pool Area - weeding and sweeping around the area
- Campsites - collecting wood and renewing woodpiles; renewing broken/missing site numbers; renewing fire place where required with stone slabs
- Camp Fire Area - increase number of logs for people to sit on by sawing up fallen trees
- Marquee / Frame Tents - help strike these tents and store away for winter
- Altar Fires - checking all parts of altar fires and preparing for winter storage
- Tidying up Flower Beds around the Activity Centre - weeding in front

If you can help (even if you can only come for part of the day), please complete the slip below and return by email to: friendsofheyswood@hotmail.co.uk

Name: _____

Contact telephone number: _____

Email: _____

Please indicate which task(s) you think you would be able to help with: _____
