

Campfire - Heyswood Risk Assessment

Description: The campfire circle is situated in the wooded area of the site and is surrounded with logs and improvised seating.

Learning Outcomes: Enjoyment, community, performing and fun.

Leaders are responsible for reviewing and adding to the Risk Assessment which is recommended to be completed during a site visit. These are to be shared with the Leadership Team.

Girlguiding members: Girlguiding Consent Forms must be completed for any participant under 18 and appropriate Commissioner informed of intended activities

For non-Girlguiding events / users: The hirer must ensure appropriate insurance cover for the activities undertaken and provide evidence if requested by Heyswood Management Committee.

Hazards <i>What could cause harm or damage?</i>	Who or what is at risk of being affected and how?	What are you already doing? <i>How have you reduced the risk already?</i>	Likelihood of Risk Occurring (L / M / H)	Severity of Risk (L / M / H)	Are further controls necessary? <i>What else needs to happen to reduce the risk to an acceptable level?</i>	Action by: name & date
Lack of Supervision	Participants	Named Leader responsible for activity, with another leader supervising Leader gives participants safety briefing	L	L	Evacuation procedure Muster point Leader to have mobile phone in case of emergency	Leader
